PRUTH AND POETRY -- Million puts into mouth of Lucifer, in Paradise Lord

> The caged brutes thus suddenly freed from their imprisonment broke taoso in every direction. The monkeys were the first out, followed quickly by two young leans and a wild cat. A vaduadie fager, three striped kangarors and several other animals were crushed and instantly filled. Most of the engles, of which there was a valuable collection, flew way, we also did several of the smaller.
>
> The train was 10ds.
>
> The train was promptly scopped, and if was ascertained that tenr of the errors directs had sustained severe injuries. Mr. G. N. Roberson, the treasurer of the company, had a marrow escape, the was achief in the training of the company. He was askep in the ticket wegon, which was mushed into splinters, scal-ering the money in every direction, out hoess aped without a scratch. The tenujured. The speciacle at the instant of the overturing of the cages, was at once indicators and alarming. The menkeys chattering and screaming. the nonkeys chattering and screaming, scampered up the sides of the broken bridge, and scenned for enjoy the fan.
>
> The tigers, Blondin and Dick, after laping up the blond of several of their less tortunate companions, sprang across the differ and disappeared. The bear, crippled, limped off up the track, scaring the engineer and firemain nearly on of their wits, The conductor chased by a hyenra, saved by the laping in any security in tended by monthing freents and scattering to the work and there is a traction of the laping ways for a fire laping ways at the laping ways and laping and the laping are companied by monthing freents and scattering to the work and there is a laping way at tended by monthing freents and scattering to the work and the laping ways at the laping ways at the laping ways at the laping ways and the laping ways at the laping ways and the laping ways at the laping ways and the laping ways at the laping ways at the laping ways and the laping ways at dy out or coen was, The continent, chased by a byenn, saved Lix life by clanting a telegraph pole at a critical was the first of separations at dampen in the modern smaller first time without this entry.
>
> As it is known that several of the modern smaller manner smaller manner smaller manner smaller manner man right a large party, armed with games said revolvers, are sconding within a circuit of five rules of the scene of the accident looking for the truants. PRANKLIN county must have a dualge who, forgetful of the proprieties of his position, gets drunk. Leastwise the Chambershurg Repository says:
>
> We are resolved that no part of the responsibility for a continuance of the diegives that attaches to our community through the common and notorious intemperance of the Judge, who was elevated to bis legal and responsible position through the united effects of the Rai, shall any longer test upon our shoulders. Either be does not possess the strength to result the terrible templation of the intoxicating cup, or his regard for the public optimon and public exteen has grown so teeble that these are in longer restraints.
>
> Whichever be true, this community cannot in justice to itself permit be experience of the last few years to be rought. Chambershing Repository says: Tar Platadelpula Post, Republican, and hereforce an administration organ, her next now declares that "President Grant has John or ye be out stape others further, "A latte convert to our way of thinking, but before a clarest them hever. The Post further doctares:
>
> It is the form was entirely owing to the undergone hand of the American people for larrow worship, and though some of his lattick were earned by other men, be still worship, and though some of his lattick were earned by other men, be still worship, and though some of his lattick were earned by other men, be still worship, and the masses admined and shouted and elected him to the highest affice in the gift of the article, without his having shown the first quality of a statesman. Of his netsure was the probability of a statesman, of his netsure attaining that proud eminence down to the present time, his battering maperiant positions in his gift, his tyrantices, assippations and corruption (the shouted history has been published to the world.
>
> None know better than the President himself how trattend are these relarges of maltersames in office high have been broughly against him, and no one was been a stage salient forbare." A late cons shameful listory has been published to the world.
>
> None know better than the President himself how traffind are these charges of malitesame in office that have been brought against him, and no one was more alive to the mercestly of availing himself of every means legal or illegal, to seeme an election, when he attempted to press the infameus Enforcement act through Congress.
>
> His home policy has been one of personal and family aggrandicement, while his torcian pelicy has been one of personal and family aggrandicement, while his torcian pelicy has brought disgrate and shame on the nation, and so bescript the respect and admiration excited by our glorious achievements in areas that every perty power thinks it can mean whom the American people are naked to along one account and the control of the disconding to the control of the many whom the American people are naked to along one account to the life of American expectively. suc us wan impunity. And this is the man, whom the American people are asked to place in power for another four years, "Our country sinks beneath the yoke; It weeps, it blood; and cach now day a gash Is added to her wounds." Since the time when Forney's Philadelphia Press openly refused to support the Cameron Corruption ficket, a number of administration journals in this state have confidently and hitterly assailed Mr. Forney and his paper, Of late, however, a number of honest and fracless Republican newspapers have cather directly revolted against the C maron ticket, or spoken out firmly in defense of Mr. Forney and the Press. Among them are the Doylestown Intelligenver, Delaware Republican, Scranton Republican, Honesdale Citizen, Downingtown Journal, Contesville Union, Mechanicshing Journal, Huntingdon Glabe, Laneaster Express, Laneaster Impairee, Lameaster Enterprise, Butler Engle, Meadville Journal, New Unstlo Journal, Beaver Argus, and other influential Republican journals, and their action has caused considerable alarm in the Cameron camp. The latest journalist defection in the Radical ranks, is that of the Lancaster Volksfremal, the leading German Republican newspaper of Lancaster county, and which is influential throughout the State. Can ential throughout the State, Can Hartrauff stand much more of this
